

Williams Soaring Center

Modified Operations during Covid-19

UPDATED July 31, 2020

- Instructors & students will communicate directly regarding best practices during scheduled lessons depending on the lesson plan for the day.
- We will be offering a limited number of rides for one passenger, unfortunately we will not allow spectators to watch from public areas, they may watch from their vehicles.
- CDC recommendations with 6 feet social distancing practices should be observed and guidelines followed in accordance with government agencies.
- Face coverings **WILL be worn in public**/anywhere indoors at WSC; offices, bathrooms, kitchen, hangars, etc.
- The office building is being cleaned weekly. Doorknobs and community surfaces are wiped down more often. Hand sanitizer is available in multiple areas around the gliderport. Anti-bacterial wipes are available in the hanger for cleaning cockpits of our rental fleet between customers.
- If you have antibacterial spray or wipes, please use them periodically while at the gliderport. We will have supplies placed around the facility for this purpose.
- We are waiving cancelation fees for customers not feeling well with less than 24-hour notice. Please do not come here if you are not feeling 100% or have had exposure to people with the virus.

These minor changes are meant to aid in keeping us healthy while enjoying soaring.
