

Williams Soaring Center

Modified Operations during Covid-19

UPDATED March 13, 2021

Colusa County lowers into Red Tier

- Access by appointment only (530) 473-5600 or (530) 330-4354 or info@williamssoaring.com
- CDC recommendations of face coverings and 6 feet social distancing practices should be observed and guidelines followed in accordance with government agencies.
- Face coverings should be worn in public/anywhere indoors at WSC; offices, bathrooms, kitchen, hangars, etc.
- The office building is being cleaned weekly with community surfaces wiped down more often. Hand sanitizer, sprays and wipes are available in multiple areas around the gliderport. Please use them periodically while at the gliderport.
- Instructors & students will communicate directly regarding best practices during scheduled lessons depending on the lesson plan for the day.
- We are waiving cancelation fees for customers not feeling well with less than 24-hour notice. Please do not come here if you are not feeling 100% or have had exposure to people with the virus.

These minor changes are meant to aid in keeping us healthy while enjoying soaring.
